# Bollag Center dedicated at Daughters of Israel

THE HIGHLIGHT of the 109th annual meeting of Daughters of Israel on June 14 was the dedication of the West Orange senior facility's Bollag Welcome Center. The new space for greeting residents' family members and other guests is named in memory of Anita and Marcel Bollag, who were both DOI residents and the parents of board member Carol Sidman, who chaired the meeting.

The Bollags have been generous supporters of Daughters of Israel, among other institutions, making multiple renovations to the Hirsch Pavilion over the last few years.

The evening also included a cocktail reception and installation of officers and governors.

In the Bollag Welcome Center are, from left, Carol Sidman, Lisa Sidman, and David Sidman.

At the annual meeting are DOI leaders, from left, executive vice president Susan Grosser, president designate David Silverstein, president James Gurland, and meeting chair and board member Carol Sidman.
